

La Transtica 2010, Solidarity Projects

School Supplies Donation, Monoprix

Monoprix (Supermarket) gave us brand new school supplies (unsold).

This donation is valued at 10,000 Euros.

The project is to send a container (4 m³ 1100 kg) by sea if we can get a full or partial exoneration on customs duties and taxes.

Laptop Donation, Thales Alenia Space

Thales has donated six laptops which will be distributed at the Transtica 2010.

Escuela Finca La Caja, La Carpio, San José

This project consist in buying educational books for the library of the school, welcoming children of immigrants from Nicaragua and Panama in order to enable them to be accommodated in a place where they can study instead of being on their own in the streets.

School Director: Mercedes Ortega

1900 students

Need expressed on more than 1,800 educational books, the total budget is over 20 000 €.

ANDEPEM, San José
